

## KENKO NATUREST® FIT

PRODUCT CODES:

1190 TWIN | 1191 FULL | 1192 QUEEN | 1193 KING

Get quality sleep wherever you are with the Kenko Naturest® Fit. Designed to be portable and affordable, this thin mattress topper with 800 gauss magnets comes in twin, full, queen and king sizes, made to place under a fitted sheet.

The 4-sided elasticized skirt is 12 inches/30 cm so you can easily wrap the Fit around your mattress, then place your fitted sheet over it. Magnetic technology helps reduce the effects of stress and fatigue to promote continuous relaxation, resulting in a restful night of sleep.

- Rubberthane with natural latex nodules for massaging effects
- Reflective and breathable fibers help regulate body temperature and support ventilation
- When exposed to pressure, heat or motion, tourmaline gives off electrons which can help create a calming effect
- Durable foam with natural latex helps retain firmness and shape
- Rubber cloth backing helps prevent slippage

### CARE INSTRUCTIONS

The KenkoNaturest® Fit is easy to clean. Use damp sponge or cloth in circular motions with a solution of 5% soap and 95% water. Do not use solvents such as acetone, bleach, chlorine, etc. Do not put in the washing machine or dryer, as that will void the warranty.

### WARRANTY

One year manufacturer's warranty from date of purchase. Cover cannot be removed as that will void the warranty.

### WARNING

If you use an electronic medical device such as a pacemaker, or have a magnetically sensitive surgical implant, do not use or wear magnetic products. Women in the first trimester of pregnancy, or anyone who has a health problem should first consult a physician before using magnetic products. Do not place magnetic products in direct contact with magnetically sensitive items such as watches, audio/video tapes, credit cards, portable electronic equipment, etc.
